

SPIE. Membership Card

Thank you for joining SPIE. As a new Member of the Society, we welcome you to this community of over 20,000 professionals in optics and photonics worldwide.

Use your Member ID#, shown on the card above, to set up your account and Member profile on spie.org, and to receive Member discounts on:

- SPIE publications including books, journals, and Digital Library downloads
- Conference registrations
- Courses, available at conferences and online

And don't forget to access the other benefits that accompany your Membership:

- 10 Digital Library downloads (to be used within 12 months)
- 2 SPIE professional development courses online for free
- 1 complimentary online journal

Be sure to look for your copy of Photonics Focus magazine that covers industry insights, technology overviews, career trends, and much more, at your door every other month.

If you have any questions, please don't hesitate to contact our Membership team for assistance at CustomerService@spie.org.

We look forward to working with you this year.
